

GUIDELINES

National Athlete Support – Angus is an initiative of ANGUSalve Sport & Leisure and is supported by local sporting partners.

The aim is to offer practical support to athletes who have achieved national level in their chosen sport and contribute to the development of national athletes.

Benefits of NASA:

Complimentary access to ANGUSalve Sport & Leisure facilities.

Eligibility for the Scheme

The term National Athlete refers to any individual in a squad or team representing Scotland, the United Kingdom or Great Britain in sport at any age group.

Only sporting activities, relevant disciplines and Governing Bodies as defined and recognised by sportscotland will be eligible.

Residency within Angus is essential. A postal or contact address will not suffice. In the case of students, either the parental or term time address may be used.

The scheme applies to athletes of amateur status only.

Complimentary Access to Facilities

Free access will only be given to swimming pools, free weights areas and fitness suites operated by ANGUSalve.

Any other facilities required must be approved by the Community Sport Team.

Athletes will not be given preference in facility use over the general public and as such will not be able to pre-book facilities under the scheme.

Free entry will only be given to activity areas approved by Sport & Leisure. Free entry will not be given to Health Suites.

Athletes under the age of 14 will not be allowed to use the Fitness Suite; this is ANGUSalve policy. Should those under 14 years strongly wish to use this facility, they should discuss the matter with the Community Sport Team.

Where an athlete's training requires specialised equipment set up, the athlete should discuss requirements with the facility manager to reach a reasonable agreement.

How to Register

Athletes must provide the following:

- bACTIVE Lite number
- NASA Application Form
- Proof of athlete status from governing body
- Proof of Angus residency

Athletes will be asked to re-enrol annually. All Memberships will have an expiry date of 31 March; for applications made from January to March, the expiry date will be 31 March in the following year.

Terms and Conditions

These conditions are correct at time of issue but ANGUSalve reserves the right to alter any conditions should the need arise without prior notification to NASA scheme members.
